In re Application of  
Jaime E. Ramirez-Vick  
Application No. 10/029,113  
Filed: December 19, 2001  
Attorney Docket No. 25527-0001 C1

**OFFICE OF PETITIONS**

:  
:  
: DECISION ON PETITION  
: UNDER 37 CFR 1.78(a)(6)  
:

This is a decision on the petition under 37 CFR 1.78(a)(6), filed October 22, 2003, to accept an unintentionally delayed claim under 35 U.S.C. § 119(e) for the benefit of prior-filed provisional Application No. 60/134,110, filed May 14, 1999.

The petition is **Granted**.

A petition under 37 CFR 1.78(a)(6) is only applicable to those applications filed on or after November 29, 2000. Further, the petition is appropriate only after expiration of the period specified in 37 CFR 1.78(a)(5)(ii) and must be filed during the pendency of the nonprovisional application. In addition, the petition must be accompanied by:

- (1) the surcharge set forth in 37 CFR 1.17(t);
- (2) a statement that the entire delay between the date the claim was due under 37 CFR 1.78(a)(5)(ii) and the date the claim was filed was unintentional; and
- (3) the reference to the prior-filed provisional application supplied in an application data sheet (ADS)(37 CFR 1.76) or as an amendment in the first sentence of the specification following the title. See 35 U.S.C. 119(e) and 37 CFR 1.78(a)(5)(iii). The Commissioner may require additional information where there is a question whether the delay was unintentional.

The instant pending nonprovisional application was filed on December 19, 2001. Prior-filed provisional Application No. 60/134,110, filed May 14, 1999, for which priority is now being claimed, was filed within twelve months of the May 15, 2000 filing date of prior-filed, intermediate, nonprovisional Application No. 09/571,084. A reference to the prior-filed provisional application has been included in an amendment to the first sentence of the specification following the title.

The instant nonprovisional application was filed after November 29, 2000, and the claim for priority herein is submitted after expiration of the period specified in 37 CFR 1.78(a)(5)(ii). Also, the reference to the prior-filed provisional application was submitted during the pendency of the nonprovisional application for which the benefit is sought. See 35 U.S.C. § 119(e). Accordingly, having found that the instant petition satisfies the conditions of 37 CFR 1.78(a)(6) for acceptance of an unintentionally delayed claim for priority under 35 U.S.C. § 119(e), the petition to accept an unintentionally delayed claim of benefit to prior-filed provisional Application No. 60/134,110 is granted.

***The granting of the petition to accept the delayed benefit claim to the prior-filed application under 37 CFR 1.78(a)(6) should not be construed as meaning that the instant application is entitled to the benefit of the filing date of the prior-filed application. In order for the instant application to be entitled to the benefit of the prior-filed application, all other requirements under 35 U.S.C. §119(e) and 37 CFR 1.78(a)(4) and (a)(5) must be met. Accordingly, the examiner will, in due course, consider this benefit claim and determine whether the instant application is entitled to the benefit of the earlier filing date.***

A corrected Filing Receipt, which includes the priority claim to the prior-filed provisional application, accompanies this decision on petition.

Any inquiries concerning this decision may be directed to Karen Creasy at (703) 305-8859.

The examiner of Technology Center AU 1637 will consider applicant's entitlement to claim benefit of priority under 35 U.S.C. §119(e) to prior-filed provisional Application No. 60/134,110, filed May 14, 1999.
